

Before your test appointment, log into your patient portal and fill out draft forms shared by the Office.

Portal Account Invites

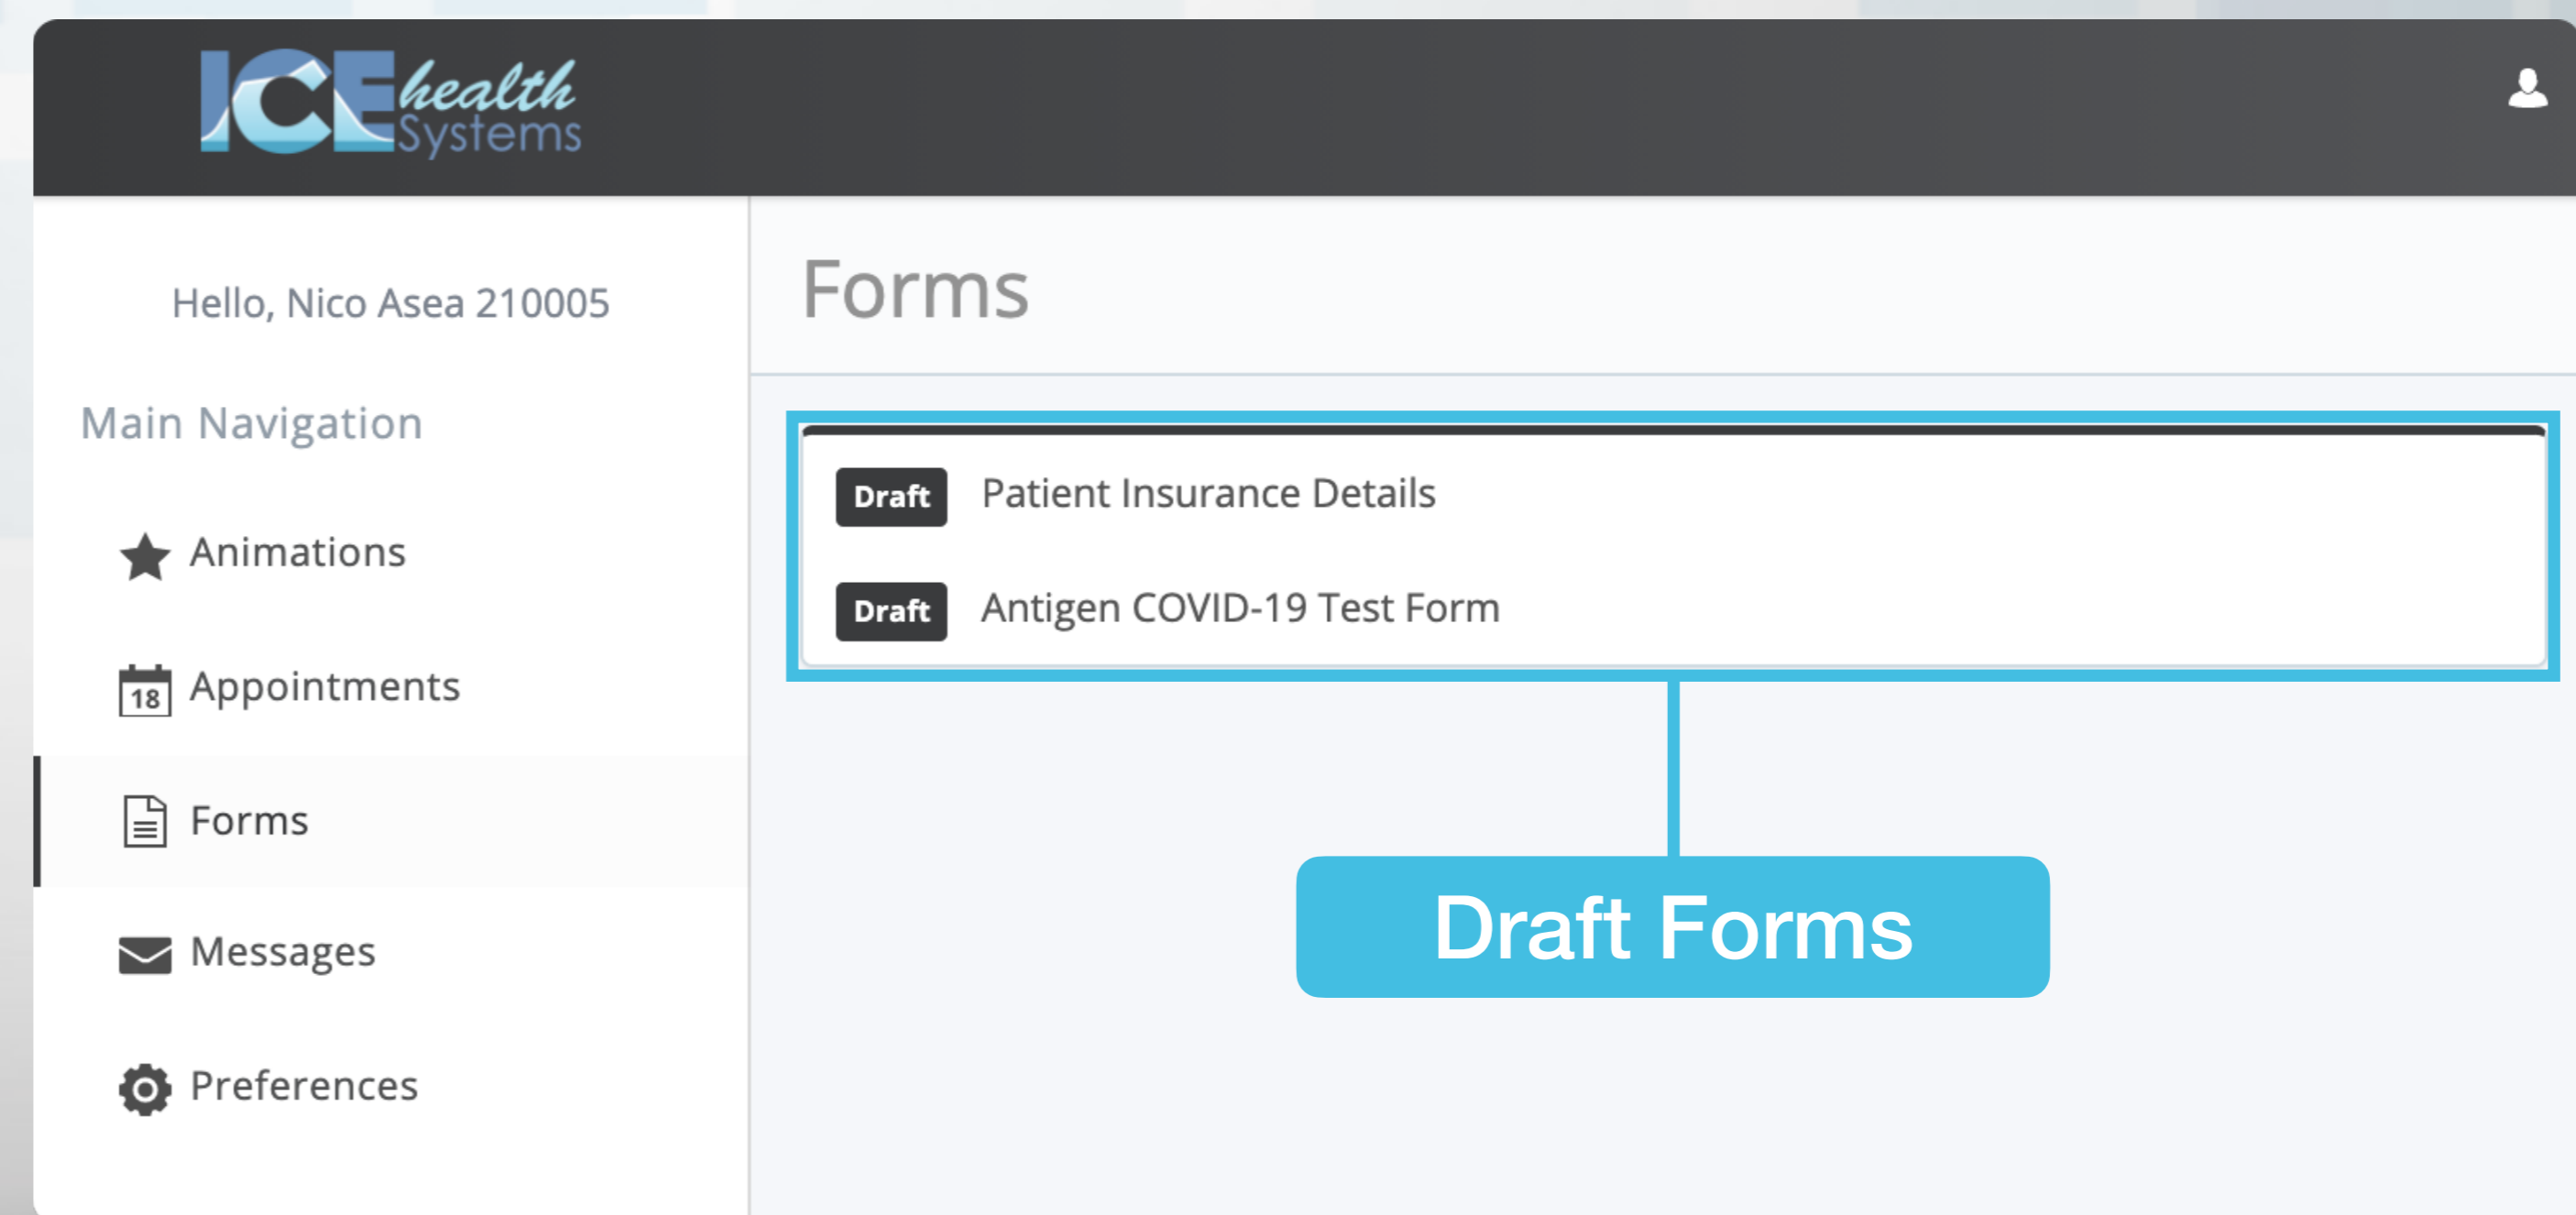

✓ **Portal Account** For your first test, create your patient portal account from the invite the Office sent.

✓ **Log In** Log into your patient portal at covidtesting.icehealthsystems.com

✓ **Draft** **Test Form:** Fill out the draft copy in your patient portal.

✓ **Draft** **Patient Insurance Form:** Fill out the draft copy in your patient portal.

Note: If you filled out a Patient Insurance Form before, the Office might not ask you to fill out a new copy.
